Re: Docket DTE 01-20

Dear Ms. Cottrell:

Yesterday, AT&T filed in this docket, a "Motion of AT&T Communications of New England, Inc., to Strike Verizon's Proposed "AC Amps Per DC Amps" Rate Contained in both Its Initial and Errata Reply to RR-DTE-40 or, in the Alternative, AT&T's Motion to Reopen the Record". The attachment referenced in that motion was inadvertently omitted from the filing. Enclosed herewith is the attachment.

I apologize for any inconvenience this may have caused.

Please date stamp the enclosed copy of this letter and return it to the waiting messenger. Thank you for your attention to this matter.

Very truly yours,

Jay E. Gruber
